IL BISONTE

IN FLORENCE SINCE 1970

IL BISONTE is a company whose high quality craftsmanship has steadily promoted the excellence and tradition of Tuscan manufacturing around the world over 50 years.

All bags and accessories are 100% made in Tuscany and are manufactured using fine vegetable-tanned or bio-tanned cowhide leathers, and organic cotton and linen fabrics.

The company invariably invests in protecting and enhancing the skills of its workers and commits to preserving now-forgotten ancient artisan traditions like Florentine leather production.
